On arrival, you will be met by our representative and transferred to the hotel and check in. Each of the chosen resort allows you to immerse yourself in Cambodian culture away from the hustle and bustle of the city. Situated amongst natural surroundings, each hotel is aesthetically designed to provide modern luxury in the Cambodian style architecture. Except the Sala Lodge, one would find some of the furniture from India since the Khmer dynasty was influenced by the Hindu religion. The rooms have a private seating area where you can enjoy the surrounding nature.

In the evening, transfer by vehicle from your hotel to a beautiful dining pavilion in Treak village. You will be welcomed by a local host who will lead you to a private bamboo pavilion for a welcome drink while a private chef prepares your meal. Relax and enjoy a delicious 3-course
